

? Do you have a brother or sister with special needs ?  
? Are you aged 7 – 18 years ?

If you answered yes or know someone else who is then read on.....

## Sibs Workshop!!!

### What?

Workshop for siblings; brothers and sisters of people with disabilities, genetic conditions or special needs

### Why?

Meet other young people in similar situations in a relaxed and fun setting

Talk about the positives and negatives of living with someone with special needs. Enjoy a great opportunity to share stories, strategies and ideas with others who understand.

### Where and when?

29<sup>th</sup> March 2009

10am to 1pm

\*venue to be confirmed\*

### What if I get bored?

We guarantee you will not get bored; the day will include some information, group-work, discussions, games and activities!

### OK, so I am kind of keen, what now?

Fill out and return the slip below or give us a call or email!

-----  
*If you wish to attend please phone to confirm or send this back through email or snail mail. RSVP by **6<sup>th</sup> March 2009***
